Policing Covid-19

April 2020

Tables

1) Which of the following statements best describes your current personal status regarding the Coronavirus / COVID-19 lockdown?

2) Taking everything into account how good a job do you think the police in your local area are doing?

3) How confident are you in the ability of police in your local area to respond quickly?

4) How confident are you in the ability of police in your local area to deal with incidents as they occur?

5) Overall, do you think that the police presence in your local area is...?

6) Which one of the following statements comes closest to your view of how the police in Scotland are handling the COVID19 lockdown?

7) To what extent are you comfortable or uncomfortable with each of the following police measures in response to COVID-19?

8) Which of the following measures would you be comfortable with the police using to maintain compliance with the COVID-19 lockdown?
   sample

Fieldwork & methodology
Surveys were online with invitations to a sample of the ScotPulse panel representative of the Scottish population
Survey invitations were sent on 28th April, with results analysed on 29th April
A total of 1660 complete responses was received.
Results were weighted to the Scottish adult population by gender and age.

Which of the following statements best describes your current personal status regarding the Coronavirus / COVID-19 lockdown?

	Total		Male		Female		Ageband										Household								social grade				local authority area						UR6_Code
